

URBAN APPLIANCES

DESIGN

With European influences and the latest design trends at the forefront, Franke appliances strive for practicality, style and elegance to make your kitchen wonderful.

QUALITY

Founded on precise engineering and traditional craftsmanship, Franke prides itself on producing appliances of the highest quality and reliability.

SWISS HERITAGE

With over a century of Swiss design, Franke's reputation for expertise and innovation is known all over the world.

The success of Franke is founded on engineering combined with traditional craftsmanship, mixed with cutting edge design. Over 100 years later, their principles haven't changed, which has helped Franke to become one of the world's leading providers of home solutions.

Franke believes that every kitchen should be as unique as you are. It should be a place where you feel free to cook, eat, entertain, celebrate and more.

WONDERFULLY CLEVER

Imagine a kitchen where everything works together, looks great and has a purpose. A kitchen where all components are designed to help you enjoy your day more. This is how Franke approach the design of their home solutions. The hard work has been put in to ensure the perfect balance of style, comfort and functionality to your kitchen.

WONDERFULLY INNOVATIVE

For over 100 years Franke have been tirelessly improving and innovating their products and services. This history and experience has helped them design and create home solutions and products that prove themselves day-in and day-out around the world.

OVERVIEW OF FEATURES

Refer to the product page for each model specific features

OVENS

-  **Twin oven light**
Illuminates the inside of the oven
-  **Touch control**
Touch sensitive control panel
-  **Child lock**
Incorporated safety feature
-  **Catalytic liners**
Self cleaning liners absorb the fat given off during cooking
-  **Telescopic runners**
Loading and unloading hot or heavy items becomes a breeze
-  **Soft close**
Quality door hinges ensure a two stage soft and quiet close
-  **Quad glazed oven door**
The door stays cooler to touch while the oven is hot
-  **Knob control**
Provides an easy to use and simple interface for your oven
-  **Timed cooking program**
Sets cooking duration and end cooking timer
-  **Pyrolytic function**
Self-cleaning functionality

MICROWAVES

-  **Microwave function**
Used for cooking and re-heating food
-  **Touch control**
Touch sensitive control panel
-  **Child lock**
Incorporated safety feature
-  **Grill function**
Perfect for grilling meat and poultry on one level
-  **Microwave power**
The total microwave energy in watts that can be generated

RANGEHOODS

-  **LED lighting**
Provides bright lighting for the kitchen space
-  **Dishwasher safe filters**
Filters are able to be washed in a dishwasher
-  **Slide control**
Located on the underside of the hood
-  **Touch control**
Touch sensitive control panel
-  **Air flow rate**
Measures a rangehood's ability to draw in air in cubic metres

OVERVIEW OF FEATURES

Refer to the product page for each model specific features

COOKTOPS

-  **Powerful burner**
Bringing water to boil quicker, and perfect for stir fries
-  **Flame failure**
Gas shut-off safety feature
-  **Cast-iron trivets**
Sturdy support for heavy pans
-  **WOK burner**
Powerful gas burner ideal for stir fries
-  **Frameless edge profile**
The cooktop edge seamlessly blends into your benchtop
-  **Touch control**
Touch sensitive control panel
-  **Child lock**
Incorporated safety feature
-  **Induction technology**
Provides near instant heating
-  **Keep warm**
Keeps your food warm once it has finished cooking
-  **Zone bridging**
Allows the use of 2 individual induction zones together
-  **Residual heat**
Warns the user if the surface is too hot to touch
-  **Pause recall**
Pause and resume your cooking at any time

DISHWASHERS

-  **Eco**
Sensor adjusts water usage to minimise energy consumption
-  **Soak**
Thoroughly soaks dishes in water and soap before rinsing
-  **Glass setting**
Ideal for washing fragile items
-  **90 minute program**
90 minute wash cycle
-  **Rapid setting**
Quick wash cycle for light loads
-  **Intensive setting**
Wash cycle for heavy pots, pans and dishes
-  **Heavy setting**
Wash cycle for pots, plates, glasses and pans
-  **Child lock**
