FRANKE PLUS

July 2024

A story forged in Swiss precision

Our story began at the beginning of the last century as a small sheet-metal business in Rorschach, Switzerland, established by Hermann Franke.

Since then, we opened up manufacturing facilities all around the globe that led us to become leaders in the kitchen sinks segment, and home solutions altogether. We combine **traditional craftsmanship, precision engineering** and a constant pursuit of **innovation**, the three principles that remain at our core.

This Franke Plus brochure is designed to give the best value options for purchasing Franke products.

Highlighted Product Deals: Innovative flagship products.

Sink & Tap Value Packs: Enjoy additional savings by combining some of our most popular sink & tap products into value packs.
